ONE-SIDED RELATIONSHIP

There's no escaping the fact that we live in a star struck society. Dozens of fan magazines and web sites for music, TV and film celebrities are created every day. Sports enthusiasts passionately follow the lives of favored players. Fascinated, we read and discuss the private, intimate details of these individuals' lives, until we know them better than friends and family. In conversation, we speak of them as personal acquaintances, when they've never even met us.

Sadly, there are many people today who have the same relationship with God. They use Jesus' name, say all the right phrases, but actually He's never met them. Their "spiritual" life is all on the surface, one-sided, with no real connection to God. Jesus tells us that there will be people who will call out to Him, "Lord did we not prophesy and do great deeds in your name?" But His answer will be, "I never knew you." Today let's focus on developing a two way relationship with God. Asking not "Do I know Jesus?" but instead "Does Jesus know me?"

It is a time to remember Christ's suffering and to remember that Christ continues to suffer today in the faces of the poor, the sick, the neglected, and the persecuted in our world."

Fr Gerald Curry, S.F.M.

9th Sunday in Ordinary Time

Our Lord gives us two distinct commands today. We must listen and we must act. We listen when we participate in Mass. We act when we participate in the ministry of the parish. We need to do both for a strong foundation. Participating more fully in the liturgy and life of the parish may require some changes on our part. We may have to move away from our current lifestyle so that we can move closer to God.
