## GETTING OUT OF THE SPAGHETTI BOWL

Sooner or later for all of us, life gets messy. We're going along the road just fine and then splat! We land in a spaghetti bowl full of sticky, entangling noodles. When action is needed in one direction, we get pulled in the exact opposite. Our once clear thought gets muddled and decisions become excruciating. We think and think, but cannot choose what to do. And that's when temptation sets in, offering false power, an easy way out.

Fortunately, Jesus knows a better way and shares it with us. When Jesus went to seek simplicity in the desert, the Devil threw Him in the spaghetti bowl. Seeking simply prayer and the presence of His Father, Jesus is faced with entangling temptations, a confusion of false promises. Did Jesus waffle or falter? No. He cut through the mess with simple statements of faith and logic. He repeated the basic lessons of faith we all know in our hearts. And the entangling "noodles" just dropped away. Are you slipping and sliding in your own spaghetti bowl today? Bow your head and ask Jesus to show you the straight way out. You'll be climbing out of the mess in no time.

#### 1st Sunday of Lent

What temptations lure us from the path of discipleship? Possessions, pride, power? So much in our consumer society tempts us. The beauty of stewardship, as a way of life, is that it enables the Christian steward to resist the temptations of excessive consumerism and materialism. Not that these in and of themselves are bad. They are bad only when they get in the way of our discipleship. Stewardship enables us to discern between needs and wants and thus brings a measure of balance to our lives. This Lenten season let us pray that we may live responsibly and possess sensibly.
