PROJECT ADVANCE CORNER The year's theme is "*Touching Many Lives*". We will be launching this year's campaign on the weekend of May 7/8. "Through your participation in Project Advance, you are ensuring that the future of the Catholic Church in British Columbia is as bright tomorrow as it is today. Your gift provides the capital resources to help fund the purchase of land for new secondary churches and the construction of new secondary schools." Quoted from the letter of Archbishop Miller for this year's PA.

We need volunteers to assist before and after all the Sunday Masses for the month of May to help fill out and collect pledge forms. It would only require 20 minutes prior and 20 minutes after the Mass you normally attend. We really need your help to make this campaign successful. If you are interested or have questions, please contact Michelle Kully at 604-931-4854 / mkully@shaw.ca

OUT OF THE ORDINARY

Are you having trouble seeing God, hearing God's voice, experiencing the presence of God in your life? Don't look for heavenly lights or spectacular miracles. Listen instead for the comforting word spoken by a friend to one in need. Look to the one who takes a firm stand on equality, fairness, and freedom. Sense the gentle touch on the shoulder offering support and caring. Look at the common bread, broken into pieces. Watch the water running over a child's tiny head. That is, watch for God acting in the commonplace, the ordinary, and the usual. It's where often He shows His most amazing side.

It's easier reading than all the older versions." Said the second person, "I prefer the new Jerusalem Bible. The translators have modernized the language without sacrificing reverence." To which the third person replied, "I know an even better version: my mother's. She translated the Bible into life."

WHO ARE YOU TRAVELING WITH TODAY?

How many times on our walks through life do we not see Jesus? How many times do we talk with a co-worker, a parent, a child or a friend and fail to recognize that this person holds a precious piece of Our Lord and Savior within them? Because we don't recognize Jesus in them, we treat them not as we would treat Jesus, but as merely an ordinary person in our life. Before you take another step look closely at those nearby. Who are you traveling with today?

3rd Sunday of Easter

The disciples on the road to Emmaus walked and talked with Jesus all day long, but it was not until He blessed and broke bread with them that they recognized him. What if they had not invited Him to stay with them? In offering their time in hospitality they were given the opportunity to see that Jesus was with them. Our simple acts of generosity towards others are opportunities to reveal the presence of Christ in our midst.
