"Touching Many Lives"

SOLVING LIFE'S PROBLEMS

There was once a man who spent days putting together a jigsaw puzzle that contained 5,000 pieces. After working on the puzzle every night for two months, he finally got the entire puzzle together, except for one piece. It turned out that the box containing the puzzle had only 4,999 pieces. There was one crucial piece missing! And because it was missing, his puzzle was never complete.

Have you ever felt as though there was one crucial piece that is missing from your life? Have you ever felt as though the problems of this life are too much to bear? Have you ever felt lost and didn't know which way to turn? If so, Jesus invites you this day to join His flock and to follow Him. He tells us today that He is the answer, He is the solution, and He is the missing piece that will make your life complete.

4th Sunday of Easter

Jesus says, "I came that you may have life and have it abundantly." Following the Good Shepherd is the only path to life which is truly life indeed. Life that is free of anxiety. Life lived in contentment, not wanting. Life lived, not in the relentless and empty pursuit of more and more stuff, but in possessing sensibly and sharing generously. This is the abundant life of the disciple and Christian steward.
