### WHY ARE YOU SO TROUBLED?

Life can be troubling. Sometimes it is all we can do to train our child in the Christian faith, spend quality time with them, hold them when they are sick, and rejoice with them when they are successful. Only to watch as at 15 they turn away from the family, take a nose dive with their grades, and refuse to talk with us anymore.

When our Lord asks us why we are so troubled about life, we easily give Him lots of reasons, don't we? Like the disciples, we can say in agony, "But Lord, we don't know the way." We need direction, counsel, and comfort. And during troubling times, there is no greater gift He can give us than His presence and comfort. His promise to comfort us doesn't only refer to the afterlife. His comfort is available today to restore, to mend, and to heal the brokenness that life has laid upon us.

### 5th Sunday of Easter

Jesus tells us in today's Gospel, "Very truly, I tell you, the one who believes in me will also do the works that I do and, in fact, will do greater works than these". Jesus begins His statement with 'very truly'. Jesus is emphasizing that we can do this! As disciples and Christian stewards these words for today should comfort us and give us as a great deal of God-grounded confidence as we endeavor to succeed in our good works.
